

National Forest Recreation Association's 66th ANNUAL CONFERENCE & TRADE SHOW

Join us for the National Forest Recreation Association's
66th Annual Conference & Trade Show
October 26 - 28, 2015
Peppermill Hotel
Reno, Nevada

This is the BEST Conference for
Recreation Professionals, Business Owners & Agency Leaders

The NFRA Conference is **the best** way to stay on top of key issues, policies, and recreation trends that affect recreation on our national forests and parks. The Conference provides an excellent setting for direct contact with agency recreation leaders, business owners (permittees and concessionaires) and vendors who offer services and products that help to improve recreation on public lands.

This year's NFRA Conference will be addressing critical changes in the laws regarding minimum wage; a diagnostic review of the Forest Service recreation special uses program; water rights for permittees; upcoming legislation, and lots more.

Mark your calendar, book your room and join us October 26 - 28 in Reno, Nevada for NFRA's 66th Annual Conference and Trade Show.

If you are a past attendee - you KNOW you don't want to miss it. You will learn more about Forest Service policies and activities; recreation and tourism programs; must-have products and services; and tips for business success in three days than you can get anywhere else.

The NFRA Conference provides the best value for your dollar!
