Dear Interested Parties of the Lake Tahoe Basin Management Unit Campground Prospectus,

The Lake Tahoe Basin Management Unit has decided to pause the submission deadline for the Campground Prospectus in order to make technical corrections to the prospectus. The new deadline for submission will be released after the technical corrections have been made. Technical corrections will be made within the next 30 days and there will be at least 30 days after the release of the corrections before the final submission deadline. We apologize for any inconvenience this may have caused.

Sincerely,

JEFF MARSOLAIS
Forest Supervisor
