

File Code: 2720
Date: July 15, 2022

Dear Prospective Applicant:

The Arapaho and Roosevelt National Forests and Pawnee National Grassland (ARP) is issuing this pre-solicitation to inform interested parties of the upcoming campground concession opportunity. Feedback is encouraged.

The prospectus may offer one to three campground concession special use permits to provide high-quality public service in the operation and maintenance of government-owned recreation facilities. The new special use permits will replace the current concession permits which expire December 31, 2023. We expect to advertise the prospectus this coming spring in 2023 then complete the application evaluation and make a selection by late summer, early fall of 2023. The successful applicant(s) would begin operations in January 2024.

Prospective bidders are strongly encouraged to conduct a self-guided visit during the summer of 2022. This will allow interested parties to view the sites during peak-season and ensures that sites are accessible without the risk of snow-impact and road closures. Visiting the forest and sites will provide prospective bidders a more thorough understanding of this offering. A virtual Questions and Answers Session will be held late-August 2022. Please RSVP for the virtual meeting to receive the invite and additional details. RSVP to edward.perault@usda.gov by August 10, 2022.

The pre-solicitation will be made available electronically on Sam.gov as well as the ARP website. For specific questions regarding information contained in the pre-solicitation, please contact Ed Perault, Concessions Program Manager at 720-534-9105 or edward.perault@usda.gov.

Thank you for your interest in the Arapaho and Roosevelt National Forests & Pawnee National Grassland.

Sincerely,

MONTE WILLIAMS
Forest Supervisor
